

PUBLIC NOTICE

State Department of Health Services
Intent to Issue
A Hazardous Waste Facility Permit

The Department of Health Services, Toxic Substances Control Division, proposes to issue a State Hazardous Waste Facility Permit to:

Solar Turbines Inc.
(Harbor Drive Plant)
2200 Pacific Highway
San Diego, CA 92138-5376

The permit will be the final authorization for this facility to store/treat hazardous waste under specific conditions to assure safe operation. On-site disposal of hazardous waste is prohibited

By this notice, the Department is inviting comments from government agencies and interested members of the public about the issuance of this permit. All comments must be received in writing by the Department within 45 days of the publication of this notice. All comments will be taken into consideration and addressed in the administrative record.

The draft permit, Operation Plan, and related documents are available for public review during the hours of 8:00 a.m. to 5:00 p.m., Monday through Friday at:
